

Golf in HD - tee it high and watch it fly. See pristine greens, dramatic drives, and picture-perfect clarity down to the dimple.

With GOLF CHANNEL® HD, you get the high stakes and high drama - all in high definition:

- PGA TOUR
- Champions Tour
- LPGA Tour
- European Tour
- Nationwide Tour
- And more!

Immerse yourself in the competition with razor-sharp colors and sound.

GOLF CHANNEL® HD is your link to the links seven days a week, with crystal-clear coverage of the PGA TOUR through October 2007. So you can see the PLAYERS Championship - in high-def detail that captures all the rigor and vigor of the Stadium Course at Sawgrass. So you can follow the ball with eye-popping precision at the Buick Open, WGC and other tourneys on the tour. Get up close and personal with every birdie and bunker, from the front nine to the back, with GOLF CHANNEL® HD. Only from Comcast. [Click here for coverage.](#)

How to get it

To get GOLF CHANNEL® HD, all you need is a set-top box from Comcast. No special dish. No long-term contracts or additional programming fees. And no calibration instructions that will cost extra time and your hairline. Just connect our HD box to your HD TV, and you're golden. That's at least a three-stroke advantage over satellite.
